### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Janice Wade on 12/14/05.

The application has been amended as follows:

- A. In claim 6, line 1, page 34 of the claims filed 3/17/05, the phrase "any of the Claims 2-6" is deleted. The phrase "claim 2" is added in its place.
- B. In claim 14, lines 1-2, page 39, of the claims filed 3/17/05, the phrase "any of the Claim 1-14" is deleted. The phrase "claim 1" is added in its place.
- C. Claim 15 is cancelled without prejudice to the applicant filing a divisional application.

### **Reasons For Allowance**

The following is an examiner's statement of reasons for allowance: The primary reason for allowance is the substitution on the phenyl portion of the benzyloxy group of the compound. In the instant compound, the benzyloxy group must be substituted by iodine and hydroxyl or alkoxy. In the Greenspan compound, the benzyloxy group is substituted with methyl in the 3 position. At, Table 1, see compound 27. In the examiner's opinion, it would not have been obvious to a person of ordinary skill in the art to modify the prior art compound to derive the instant compound.

Art Unit: 1625

Accordingly, the instant claims are allowable therefrom.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
